ACOUSTIC ARTIST

ADAM LEE

BIO

Adam Lee is a singer/songwriter born in Stillwater, OK who grew up in Ogden, UT. His family features a long line of professional musicians who taught Lee and inspired him to play on his own.

By age seven Lee learned to play the guitar, and inspired by his mother's church singing and father's trumpet skills, Lee developed his vocal skills and pursued the study of other instruments. After graduating high school, Lee took to the club circuit, first fronting Ogden-based group Twistedacoustic and later developing a solo acoustic act.

For the past 10 years, Adam has honed a personable jovial persona with strong audience interaction through performances across the Great Plains, Southern, and Midwestern United States. Lee's self-titled first CD is now available featuring his deep baritone atop roots-driven acoustic material appealing to the hardworking American spirit.
