BAND

ON THE ROCKS

BIO

On The Rocks are your modern performers of classic American jazz, with a clever mix of country, rock-n-roll, soul, and pop from the 1950s to modern hits. Expect a high-energy interpretation of the rat pack days of Frank and Dean...country legends Waylon and Willie...then throw in a little of everything from Elton John to Barry White to Queen to Bruno Mars.

Super versatile in instrumental and singing styles, the band will learn and perform fabulously most any special song you request in advance, making them the perfect fit for special events like wedding receptions and birthday parties. They are also fully modular to fit your event's budget and atmosphere, able to perform as solo, duet, trio, up to their full 6-piece band: piano, bass, lead guitar, drums, and 2 vocalists.
