ACOUSTIC ARTIST

RICH PATTON

BIO

Rich Patton is a recently retired educator but playing and performing music is his passion. Rich sings and plays guitar. He also doubles on blues harmonica and tenor saxophone. He uses a loop station, which allows him to digitally record his accompaniment during performances. At the press of a pedal, the accompaniment will repeat allowing him to step back and play solos on the guitar, blues harmonica and saxophone adding variety to this one-man show.

Rich loves to play the blues and R&B but his performances also include country, old rock n' roll, jazz, classic favorites, slide guitar and special songs improvised for people in the audience. Tell him about birthdays as the standard "Happy Birthday" will be followed by an improvised, unique "birthday song". Bring the kids because he also does special songs and games that children love. He also loves to play and perform in classrooms with children.
